

## We Go Beyond Offering a Product and a Price

# Employee Navigator is an HR and Benefits Admin Platform That Will Help Simplify Your Life

### We Set-up and Maintain The Platform

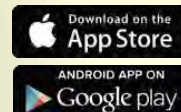

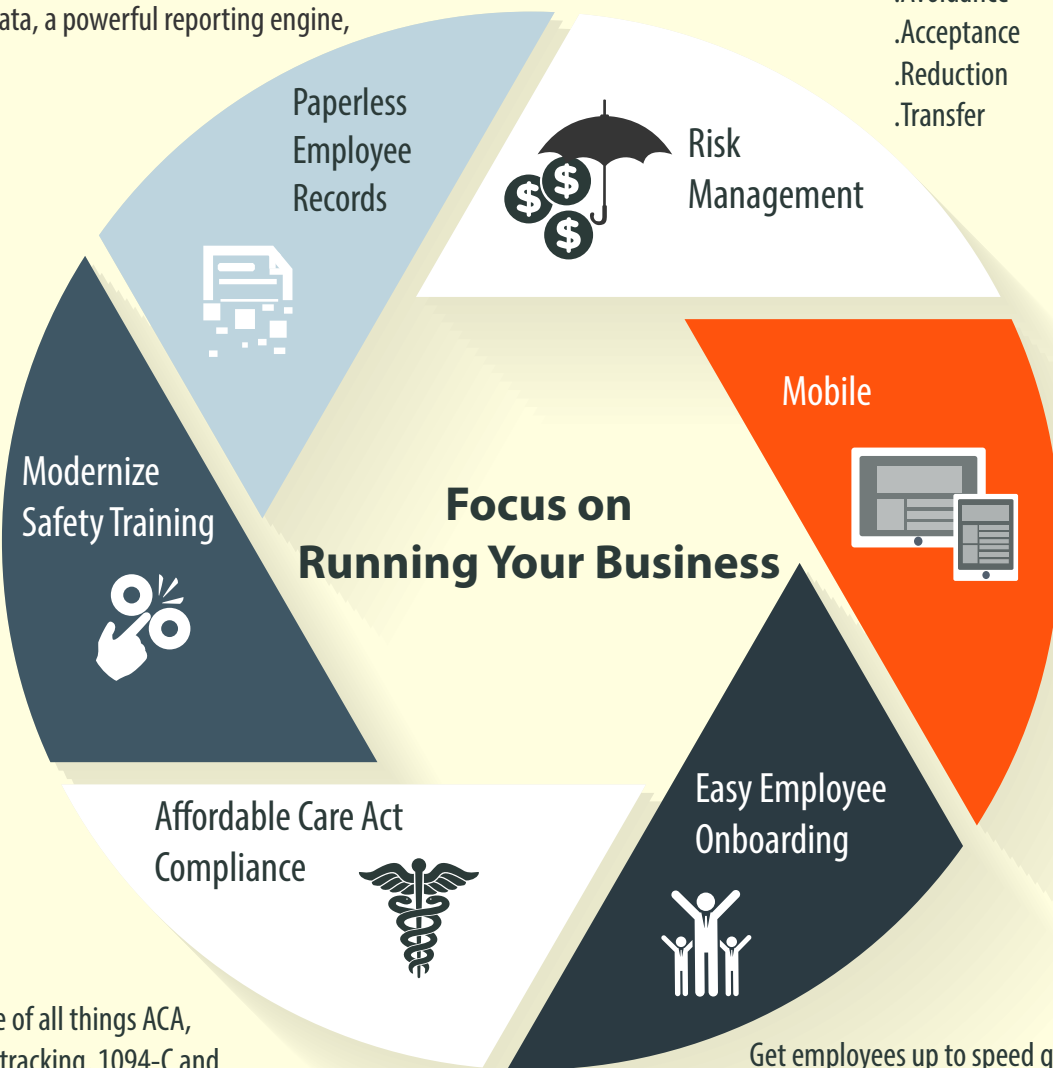

Get your employee data out of the filing cabinet and into a single, secure platform. Then enjoy the benefits of accurate employee data, a powerful reporting engine, and much more.

### You Stay Focused on Running Your Business

There is more to risk management than insurance.

- .Avoidance
- .Acceptance
- .Reduction
- .Transfer

Automate your safety and training tasks. Employees can review OSHA videos or compliance documents, and you can track their progress.

We'll help take care of all things ACA, including ongoing tracking, 1094-C and 1095-C eligibility reporting with our easy to use ACA dashboard

Get employees up to speed quickly. Collect EEOC information, emergency contacts and more without breaking a sweat.
